

# Trelawny Parent School Council Needs You!!!

**Wednesday October 7, 2009  
Library 7:15 pm**

Trelawny's Parent School Council's mission is to, *support the development of academic, social and personal skills that are relevant not only in the elementary years but that also lay the foundation for future success.* Last year our fundraisers included pizza days, fun Friday treats and MacMillan cookie sales, which raised over \$7,000 for our school. These funds provided literacy support for the library, art performances, tarmac painted games, basketball net and providing the Grade 5s with their Leadership end-of-the-year trip.

**We are now looking for people to help our School Council in many different roles. Please join us for our first meeting and let us know how you can help.**

Currently we do not have a Safe Arrival Coordinator. The Safe Arrival Coordinator checks the attendance line (phone and internet) against the attendance sheets of the teacher. If there are any unaccounted for children a call is placed to the child's home to confirm their absenteeism. So currently this safety for our children can also not occur.

And the second critical position that requires filling is the Pizza Day Coordinator. Until a volunteer is found, pizza days will not be hosted. If you are interested in helping in this capacity, training and manuals are available!

If you wish to volunteer in these two positions, please contact Daniela Schulze, Chair of the Parent Council via email at [trelawnyps.council@peelsb.com](mailto:trelawnyps.council@peelsb.com), or leave a message at 905-824-0360 press '5'.

**...join us!!!**
